Passages of Death
Annual Visions Halloween Exhibit
Presented by Visions Gallery and Art and Discord

Visions Art Gallery is seeking original artwork for the Annual Halloween Art Exhibit: **Passages of Death**, held this year on November 1st- All Saint's Day, the Day of the Dead, Samhain. In celebration of this special day, share your visions of the dead and the afterlife; ghosts and ghouls, hauntings and the undead in all their varied forms, celebrations and remembrances of those that have gone before.

Mortality is fascinating... the cessation of a life, the termination of the physical embodiment of a human being. Everyone has a different idea about what happens after Death, where our ancestors have gone, and where we will pass on to in the end. There are legends of rebirth and reincarnation, the dead risen and walking, the undead feeding on the living, and disembodied spirits returning to haunt those they left behind. There are celebrations and mourning rituals surrounding the dead on every continent across the globe. What do you believe happens after death... what do you think of the "afterlife"?
